Notice is hereby given that the Annual General Meeting of Shareholders of Kingsrose Mining Limited (ACN 112 389 910) will be held in the Sandpiper Room, Level 13, 37 St Georges Terrace, Perth, Western Australia on Thursday, 21 November 2019 at 11am (WST).

YOUR VOTE AND VOTING ELIGIBILITY

The business of the Annual General Meeting affects your shareholding and your vote is important. To vote in person, attend the Meeting at the time, date and place as set out above. If you are unable to attend the Meeting, you are encouraged to complete and return the Proxy Form attached to this Notice of Meeting and Explanatory Statement.

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 4pm (WST) on Tuesday, 19 November 2019.

VOTING BY PROXY

All Shareholders who are entitled to attend and vote at the Meeting have the right to appoint a proxy to attend and vote for them. The proxy does not have to be a Shareholder. Shareholders holding two or more Shares can appoint either one or two proxies. If two proxies are appointed, the appointing Shareholder can specify what proportion of their votes they want each proxy to exercise.

You can direct your proxy to vote “for”, “against” or “abstain” from voting on each resolution by marking the appropriate box in the Voting Directions section of the Proxy Form.

If a proxy holder votes, they must cast all votes as directed. Any directed proxies that are not voted will automatically default to the Chair, who must vote the proxies as directed.

If you sign the Proxy Form, but do not complete the boxes in the Voting Directions section of the Proxy Form, the Chair will be appointed as your proxy.

If you appoint the Chair as your proxy and do not direct him how to vote, you are expressly authorising the Chair to cast your undirected proxy on all proposed Resolutions in accordance with the Chair’s intentions set out below.

If the Chair of the meeting is appointed, or taken to be appointed as a Shareholder’s proxy and the appointment does not direct the Chair as to how to vote on a resolution, the Chair intends to exercise all available votes in favour of all proposed Resolutions.

The Proxy Form must be received at the office of Link Market Services Limited, as detailed below by 11am (WST) on 19 November 2019.

Proxy Forms received later than this time will be deemed invalid.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Annual General Meeting of the Company, to be convened for Thursday, 21 November 2019 commencing at 11am (WST).

2019 FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Annual General Meeting will include receipt and consideration of the Financial Report, the Directors' Report and the Auditors' Report for the financial year ended 30 June 2019.

The Company has provided a copy of the 2019 Annual Report to those Shareholders who specifically requested a copy. The Company's Annual Report is available on its website www.kingsrosemining.com.au

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

General

Section 250R(2) of the Corporations Act requires that at a listed company's Annual General Meeting a resolution that the Remuneration Report must be presented to Shareholders for their consideration and adoption.

The Remuneration Report is set out in the Company's 2019 Annual Report and sets out the Company's remuneration framework and policies and the remuneration arrangements for the Directors and Senior Executives of the Company.

Voting Consequences – “two strikes rule”

Section 250R(3) of the Corporations Act provides that the vote on the adoption of the Remuneration Report is for advisory purposes only and will not bind the Directors or the Company. The Board will however, take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company. Under the Corporations Act if at two consecutive annual general meetings, at least 25% or more of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report then a further resolution (**Spill Resolution**) may be required to be considered at the second annual general meeting as to whether a further meeting be convened (within 90 days) to put certain Directors to re-election. The Directors to be put to re-election are those Directors (other than the Managing Director) who were in office at the date when the resolution to make the directors report (considered at the later annual general meeting) was passed.

Previous Voting Results

At the Company's previous Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly, a Spill Resolution is not relevant for this Annual General Meeting.

RESOLUTIONS 2 – RE-ELECTION OF DIRECTOR | MR JOHN CARLILE

Clause 12.17 of the Company's Constitution and Listing Rule 14.4 requires that a Director appointed under Clause 12.16 to fill a casual vacancy or as an addition to the existing number of directors, holds office only until the next Annual General Meeting after the appointment and is then eligible for re-election. A candidate in this circumstance cannot be taken into account in determining the Directors who are to retire by rotation at that general meeting.

Accordingly, Mr John Carlile is required to retire, and being eligible, offers himself for re-election as a Director.

Mr John Carlile is a geologist with more than 40 years' experience in both major and junior resources companies. He has played key roles in major discoveries, project acquisitions and the establishment and growth of public companies. Mr Carlile

led Newcrest's presence in Indonesia and grass-roots discovery and development of the Gosowong high grade epithermal gold-silver deposit. Previously as a member of BHP-Utah's World Metals Group, he was involved in evaluation of acquisition and exploration opportunities in a number of countries particularly in Asia.

Mr Carlile is currently a Non-executive Director of Southern Arc Minerals Inc and a Director and Executive Vice President of Japan Gold Corp, both public exploration companies listed on the Toronto Venture Exchange.

No material adverse information was revealed by the checks the Company performed when appointing the director. In the Board's opinion there is no interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect Mr Carlile's capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the Company and its security holders generally.

Recommendation: The Directors (other than Mr Carlile) unanimously recommend that Shareholders vote in favour of Resolution 2. The Board considers that Mr Carlile will, if elected, qualify as an independent director.

RESOLUTION 3 – RE-ELECTION OF DIRECTOR | MR JOHN MORRIS

Clause 12.11 of the Company's Constitution and Listing Rule 14.4 requires that at every Annual General Meeting one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without retiring and submitting himself or herself for re-election.

Accordingly, Mr John Morris is required to retire by rotation, and being eligible, offers himself for re-election as a Director.

Mr John Morris has over 45 years' experience in exploration, project development and management of publicly listed resource companies. He has held prior Directorships in a number of gold and base metal public companies in Australia and overseas including Forsyth NL and Amerisur Resources Plc (formerly Chaco Resources Plc / Gold Mines of Sardinia Plc).

Mr Morris has held no other Directorships in public listed companies in the last three years.

In the Board's opinion there is no interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect Mr Morris's capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the Company and its security holders generally.

Recommendation: The Directors (other than Mr Morris) unanimously recommend that Shareholders vote in favour of Resolution 3. The Board considers that Mr Morris will, if elected, qualify as an independent director.
